# VST

VST has been limited to 150 spaces or so for the past 3 Jamborees. In previous years we have not attracted more than 110-120 local VST.

This Jamboree we very unexpectedly received double that number of applicants, despite closing applications a month earlier than intended. It's great to get that level of interest, as it shows that NZ's current cohort of Venturers are keen to be involved as staff at Jamboree.

# Staff Camp

This Jamboree, Staff will be camping together as a group on the Mystery Creek site. As you can expect, the size of the Staff Camp will be about the same size as a Youth Village!

We will need each Staff Member to register/book a site for your tent or caravan, to make sure the Staff Camp will be big enough for everyone.

We have limited space in the Staff Camp area and we would like to promote the sharing of tents as much as we can with two or more in a tent.

**This will go live 1<sup>st</sup> August, after registrations close.**

For any Queries about the staff Camp please send an Email to
