

We need YOU! Join the Staff Team at the 22nd New Zealand Scout Jamboree!

HELP us give our Scouts a life-changing experience!

Now's the time to think about how you could contribute to the success of the Jamboree.

We have plans, bookings, guides and plenty of resources but now need hands!

If you'd like to help, check out the activities below to find ones of interest then email the coordinators directly.

It's exciting to watch the Scouts go through the challenges but we can't do this without your help!

There are options available for staff to be onsite but not stay at the Jamboree for the entire 11 days. If you can give 2 or 4 or 6 days then we want to hear from you!

There are 6 activity days and ideally we have designed the days so you work two days and have a day off. We have options so please get in contact with us now.

Any programme queries that have not been answered yet please contact me.

Look forward to hearing from you,
Mandy
