## **Jamboree HUB is the place to go!**

At Jamboree, all the answers you need can be found at the HUB!

Located in the central pavilion building, head to the HUB for payments for your gas, birthday cakes and ice, or if you've lost your lanyard or jacket. Check in if you've got questions on where to find a troop site, or the buses or activities.

Once you've had your questions answered, you can visit the charging space or the retail shop to get your Jamboree merchandise, all in one place!

## The Jamboree Patrol Held A Troop Leaders Weekend in Hamilton

The Jamboree Patrol Team took the Jamboree to a new level by investing 100+ Troop Leaders in Hamilton! We invited all the Troop Leaders and had workshops on Finance, Catering, Risk, Operations Hub, Youth Team and Programme.

While the Troop Leaders had meetings, the Jamboree Patrol have assigned Arapuni Village to have a sports field; get ready to play 'Capture the Flag' tournaments! Mareatai Village will have a stage, a place for a Talent Quest within the Village! We had a run-through of the opening ceremonies and planned the Campfire. The JPT have been thinking about your recycling station on troop sites, working to a solution with the facilities team.

See you in 15 weeks!

Thanks - Jamboree Patrol Team

## Meet the Jamboree Secretary!

Leading the Jamboree is a massive role, and keeping the Jamboree Leadership Team on track is an even bigger task! The Leadership Team is made up of all the directors and their deputies, and the Jamboree Secretary; Vicky.

Vicky is a Regal Rover from the Wellington region and a Leader with the Maungaraki Richmond Scout Group. She stepped up to the Jamboree Secretary role in 2018 and has been busy ever since!

She manages all the JLT meetings, all the flights, accommodation and logistics. She follows up on milestones and keeps track of everyone. She adds enthusiasm and positivity to the team and they couldn't do everything they do without her.
