JAMBOREE PATROL DAY

Jamboree Patrol day brought the villages together. Scouts from all over site came to participate. In the morning, there were games like soccer, touch rugby and seaweed along with giant board games. Though the wind and dust interfered with some activities, spirits were still high. A few troops even managed to have their lunch out on the Village Greens with other patrols. All Scouts were united for the great game of 'Catch the Monsters' to solve the Jamboree Patrol's mystery. The game was a hit all-round and great fun was had!

The day ended with shared dinners and a campfire, wrapping up the community-based day of spending time with others up nicely.

MONSTER HUNT

Saturday afternoon, the Arapuni Village Green took part in the Jamboree Patrol "Solve the Mystery" activity. The teams linked arms with each other and walked around the site searching for Monsters. When discovered, the Scouts surrounded the Monster and took them to the nearest Village Green. There was a point awarded for each monster collected, and if that monster had a golden sovereign then the team received an extra five points.

Teams were made up of two or three patrols and there were prizes given out at the end. Congratulations to O-08, M-01, W-02 and A-02 for getting the most points for their Villages on the day.

The game started with the Scouts spreading out enthusiastically. By the end, there was quite a line up of monsters being returned.

Thank you Jamboree Patrol for organising a great day.

MYSTERIES UNSOLVED

JAMBOREE PATROL DAY

Have you seen yourself?

Come to the Media Team office after between 7 and 9 pm to collect a prize!

JAMBOREE PATROL MYSTERY

All of the clues have been released. Use these clues from previous editions of 'Mysteries Unsolved' to solve the puzzle for each letter. Write these letters in your Jamboree manual to discover the mystery location and solve the 'Mystery of the 21 Gold Sovereigns'.

Try to be the first to get to this location!

1 NEWS VISIT

It was great to see 1 News on site yesterday. They had a wonderful time and loved seeing all of the Scouts having fun on Jamboree Patrol Day.

Check out the screens around site to see if you made it onto the news.

THE HAPPIEST SCOUT AT JAMBOREE?

The Happiest Scout of the 22nd New Zealand Scout Jamboree has been found. Yelen is 13-years old from Tahiti and is based at the Taniwha Country site. She is always smiling and enthusiastic in all of the photos taken of her across the Jamboree.

Yelen has been part of Scouting in Tahiti for one and a half years. The Tahitian Scouts flew for five hours to Auckland, then caught a bus to Mystery Creek.

Yelen said the best thing about Jamboree so far was the Mystery Tours where she got to see the sights of the Waikato. She was looking forward to the overnight base at Karapiro and the exciting water activities.

Yelen has learnt many things from coming to Jamboree. This includes many more words in English and how to wash things like dishes and clothes on camp. She loves meeting and talking to new people.

Challenge yourself to step out of your comfort zone and make some new friends. Let's see if you can keep that smile as big as Yelen's for the rest of Jamboree.

CHIEF SCOUT'S MORNING TEA

Scouts who have completed their Chief Scout's award, attended a morning tea with Clarke Truscott who is the National Commissioner of Scouts New Zealand.

This morning tea celebrated their achievement and all of the hard work involved in achieving the pinnacle award of the Scouts section. There were approximately 60 Scouts in attendance.

Congratulations and BRAVO to you all.

MYSTERIES UNSOLVED

Troop Mascots

Come to the Media Team office after between 7 and 9 pm to collect a prize!

CAMPFIRE

Jamboree Patrol day wrapped up nicely with a campfire held in the Pavillion. Scouts and Leaders from all over site gathered around to sing songs and watch skits performed in front of the warm glow of the flickering LED screens. The campfire was led by the Jamboree Patrol with classics like Campfire's Burning, Ging Gang Goolie, Boom Chicka Boom and There Ain't No Flies On Us. A mystery was revealed about the Village Badges and the direction of the compass points. These all point to Mystery Creek on them in relation to a map.

Everyone united over a traditional Scouting event that was live-streamed across the world.

JOKES OF THE DAY

Q. What's really fast, loud, and tastes good with salsa?

A. A rocket chip!

Q. Why was the broom late for school?

A. It overswept!

NOTICES

Arapuni Village Green activities are now closed for the remainder of Jamboree.

Day badges for days 10 and 11 are being sold tomorrow. There are no restrictions on the number you can purchase in a transaction.

Clean your drink bottle, a clean bottle contributes to your overall well being.

LOST PROPERTY UPDATE

The Hub have discovered that the tent in lost property actually consists of a different tent to the fly. Please check your tents to make sure they have the correct components and come to the Hub if you are missing any.

T-SHIRT CHALLENGES

Duty patrols were challenged to a t-shirt race in the Hub.

How many Scouts can you fit into a 5XL t-shirt? It turns out it is 8.

FAMILY SCOUTING

There are two 7-person family groups in attendance at Jamboree with a special set of badges. The extended Longstaff family is one of these. Carl, Tracy and their three sons, Braden, Colton and Trent are from the Belmont Group in Lower Hutt. Cousins Ashton and Seth are from the Silverpine Group in Remutaka Zone. Together, they have 85 years Scouting experience. Trent, Seth and Ashton are here as Scouts, Braden is in Host Corps and Colton is in VST.

SPOTLIGHT ON VILLAGE GREENS

Ohakuri Village Green have mini golf set up for Scouts to play.

On the green, Sam completed the course in 3 shots and rated it 2/10 for difficulty. Basit was having fun on another course, it took a couple of shots to complete and he said it wasn't too difficult. There was a lot of

laughing going on and some crazy shots were being made.

There was also a game of chain tag being run. When you are tagged you join arms with them and tag as a team until everyone has been tagged. It looked to be a lot of fun. Even a Scout with a leg brace and crutch joined in the fun. It was great to see the Scouts making sure everyone could be included.

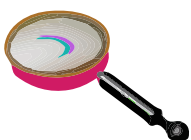

Another game being run was Octopus, also known as Seaweed. This is a good opportunity to get to know some other Scouts. So go down to the Ohakuri Village Green for some fun in your down time.

WHO WAS IT?

The 'It Was Us' troop thought very hard about their troop name. "Our name and badge design reflect the famous argument between Australia and New Zealand about who invented the pavlova. Both sides claim "It was us!". Half of us are from NZ (Kaukapakapa) and the other half are from Australia."

PUZZLE OF THE DAY

Clue: Yesterday is history, but today it is part of the mystery.

Crack the code and deliver your message to the Media Office to win a prize.

Media Office will be open to receive entries between 7pm and 9pm tonight.
